A Sustaining Legacy

In 1998 a group of community leaders and cultural advocates from across the state recognized the need for sustainable preservation of Nebraska's long-standing tradition of the arts and humanities and formed the Nebraska Cultural Endowment. The first cultural endowment in the nation to sustain both the arts and humanities, its resources support the programs and grants funded by Humanities Nebraska and the Nebraska Arts Council.

Legacy Donors

Becoming a Legacy Donor through the Nebraska Cultural Endowment is a way to leave a lasting legacy for public access to the arts and humanities through estate plans that benefit all Nebraskans. When you let the NCE know of your charitable intentions, you will be enrolled as a Legacy Donor. With your permission, you will be honored through our recognition programs which includes printed and electronic publications and special events sponsored by the Nebraska Cultural Endowment, the Nebraska Arts Council, and Humanities Nebraska.
